Manufacturer & Exporter of
Process Equipments
Cranes on Hire

About us :

Amar Engineering company is a leading provider of industrial process equipments used in chemical and pharmaceutical industry Established in 1980. The group has immense expertise in the field of manufacturing industrial equipments and exports wherein our products have helped our clients to increase their productivity. The firm is determined to provide timely and quality oriented products.

Our Mission :

Our mission is to provide products of high quality and enrich the lives of people associated with us.

Our Vision :

To become an industry leader in the field of manufacturing and export of industrial equipment's.

Line of Business :

Manufacturing :

Reactor, Heat Exchanger, Distillation Column, Receiver, Storage Tank, Self Supported Chimney, Steel Structure Fabrication

Reactor :

Specification :

Capacity : 1 to 100 KL

MOC : MS IS 2062, MSRLBL, SA 516 GR 70, SS 240 GR 304, SA 240 GR 310, SA 240 GR 316L, Duplex 2205, Nickel, Copper, Titanium, MSLB

Type : Reactor with Limpet Coil, Jacketed Reactor

Heat Exchanger :

Specification :

Type : Shell & Tube, Falling Film Type

MOC : MS IS 2062, SS 240 GR 304, SA 240 GR 310, SA 240 GR 316L

Distillation Column :

Specification :

Specification : As per requirement

MOC : MS IS 2062, SS 240 GR 304, SA 240 GR 310, SA 240 GR 316L, Duplex 2205

Receiver :

Specification :

Capacity : 1 - 50 KL or as per requirement

MOC : MS IS 2062, SS 240 GR 304, SA 240 GR 310, SA 240 GR 316L, Duplex 2205, MSLB

Type : Vertical, Horizontal, Limpet or Jacketed

Storage Tank :

Specification :

Storage Capacity : 1 - 300 KL or as specified

MOC : MS IS 2062, MSRLBL, SA 516 GR 70, SS 240 GR 304, SA 240 GR 310, SA 240 GR 316L, MSLB

Type : Vertical , Horizontal, Limpet or Jacketed

Self Supported Chimney :

Specification :

MOC : MS IS 2062 or specified otherwise

Std. height : 80 - 180 ft. or as specified with installation.

Heavy Steel Structure :

Beside from manufacturing we are doing heavy steel structure fabrication work with material, total work like : design, fabrication, sand blasting, painting, transportation and installation on plant site as per client requirement.

Regd. Office :

15/B, Shree Sahajanand
